

AN INTRODUCTION TO

AS PART OF THE STATEWIDE ASSET BUILDING MOVEMENT

which focuses on systemic, long-term solutions that enable people to develop savings, increase education and purchase tangible assets. By driving policy and program work, while supporting a state-wide network of local asset building coalitions which provide on-the-ground services to local residents.

MEETINGS

are held quarterly with each agenda focused around topics relevant to the local needs and initiatives for wealth building, including employment and access to financial services.

NETWORKING AND SHARING

amongst the membership and other community partners includes upcoming events, local policy updates, or news related to PCABC efforts and goals. PCABC members are encouraged to share information regularly and to contribute to ongoing networking.

NETWORKING

to share information, increase awareness, education, and advocacy..

CONNECT

for ways to get involved with, share with, or o present to PCABC.

THE PIERCE COUNTY ASSET BUILDING COALITION (PCABC) IS:

THE LOCAL ASSET BUILDING COALITION FOR PIERCE COUNTY

PCABC seeks to develop innovative, actionable solutions to help eliminate poverty through a combination of education, advocacy, objective discussion, and collaboration between community members, organization leaders, financial institutions, and policy makers.

MEMBERSHIP

includes local representation from the financial sector, community and social service, government, and at-large community members.

OBJECTIVES

- News, legislation, and initiatives related to asset building and poverty elimination;
- Education and Information sharing through guest speakers and subject matter experts; and
- Action plan updates and implementation of current efforts and initiatives, sponsorships, and active collaborations with government, financial, or service providers.

COLLABORATION

is central to PCABC. Brining together local government, community organizations, and financial institutions to leverage resources, advance action, and center movement toward equity in financial growth and asset building throughout Pierce County.

BANK ON PIERCE COUNTY

is an initiative for access to safer, affordable banking and financial services for residents of Pierce County who want those services and are most often excluded from mainstream financial resources contributes to a foundation for great self-directed financial empowerment, asset attainment, and financial growth.
